

Property Owners' Association

Dear Visitor,

Thank you for your interest in The Hills. We are proud of our golf club community which presently contains over 980 homes. Our admission policy does not allow visitors to come in without a visitor pass. Following is a list of nearby realtors that will be happy to help you obtain one. Simply take this form to a realtor's office for signature, and then present it to our gate guard who will then give you a guest pass. This will allow you to tour the subdivision without being accompanied by an agent. Within the subdivision, white numbered signs in the yards indicate those properties that are for sale. During Open House Sundays, Open House signs will indicate those that are presently open for viewing.
